

CERTIFICATE OF APPRECIATION

This is to certify that **Ashutosh Singh, Adeela Azeez, Satdev, Neha Kumari**, students of **K.R. Mangalam University**, have successfully completed a minor project titled **MindHaven: Track, Reflect, Heal** during the period **January,2025** to **April,2025** based on a problem statement provided by **Infograin India**.

The project aimed to **create a functional software prototype to promote mental health awareness and provide accessible tools for emotional well-being through a user-friendly digital interface**.

Throughout the project, the students exhibited commendable technical expertise, problem-solving skills, and professionalism. The solution developed by the students has contributed to addressing a significant challenge in our organization, and we acknowledge their hard work and dedication.

We appreciate the efforts of **Ashutosh Singh, Adeela Azeez, Satdev, Neha Kumari** and wish them the best in their future endeavours.
